Dear Sir,

Project: Upgrading of Sector E-6 in Abu Dhabi City
Subject: Prequalification for M/s Orient House Development & Construction LLC

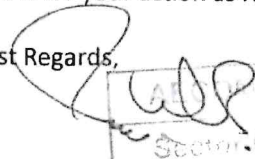

With reference to your letter OHDC/E-6/1151 dated 04th March 2015, for the subject prequalification of M/s Orient House Development & Construction LLC -- to perform MEP works and all the related electrical works, has been acceptable based on jobs performed.

Noting that the application has to be in strict compliance to job specification, through approved items & under by quality delivery.

Furthermore this approval doesn't relieve you from your overall contractual responsibility.

This is for your action as required.

Best Regards,

Sector E Roads
