ENVIRONMENTAL POLICY

شركة دار الشرق للتطوير والإعمار ذ.م.م.
Orient House for Development & Construction Co. L.L.C.

Environmental Policy

1. ***Orient House for Development & Construction Company LLC*** considers effective environmental management to be of prime importance to its business and is committed to continuous improvement in performance in all these areas.

2. ***Orient House for Development & Construction Company LLC (OHDC)***

- Comply with all legislative and client requirements and **OHDC** policy pertaining to the environment as its minimum standard.
- Pursue high standards of environmental management as an integral part of efficient management of the business ensuring that all business decisions take proper account of environmental implications.
- Develop, implement and maintain an environmental management system consistent with the **OHDC** framework.
- Develop procedures that, in particular, provide for:
 - Plant and systems of work that minimize risks to the environment
 - Suitable arrangements for the selection, use, handling, storage and transport of articles and substances
 - Adequate information, instruction, training and supervision to enable work to be carried out without risk to the environment by persons with the necessary competence
 - Designs which recognize, include and apply which consider lifecycle environmental impact including decommissioning and disposal
 - Leadership and support to suppliers to enable them to contribute to improvements in our overall environmental performance
 - Prevention of polluting emissions to air, land or water
 - Efficient use of natural resources
 - Control of noise, dust, odor, vibration, traffic movement or other nuisance or environmental effects which may cause offence to the local community or environment - Waste minimization

شركة دار الشرق للتطوير والإعمار ذ.م.م.
Orient House for Development & Construction Co. L.L.C.

- Management of waste disposal including recycling where appropriate
- Consultation with environmental advisory facilities as required
- Develop and review clear environmental performance indicators including:
 - Accident and incident performance rates
 - Attainment of annual environmental objectives
 - Training achievement
 - Results of environmental audits
- Review and, if necessary, revise this policy on an annual basis.

3. The managing director has overall responsibility for implementing this policy. ***Orient House for Development & Construction Company LLC*** has appointed a director to be responsible for the environment. It is the responsibility of all employees to implement this policy together with their collective and individual responsibilities. 'Individuals' responsibilities under this policy are set out in the Environmental plans.
