HEALTH & SAFETY POLICY

شركة دار الشرق للتطوير والإعمار ذ.م.م.
Orient House for Development & Construction Co. LLC.

Health & Safety Policy

1. **Orient House for Development & Construction Co. LLC.** Considers effective safety and health management to be of prime importance to its business and is committed to continuous improvement in performance in all these areas.

2. **Orient House for Development & Construction Co. LLC. (OHDC)**

- a) Comply with all legislative and client requirements and OHDC policy pertaining to safety and health as its minimum standard.
- b) Pursue high standards of safety and health management as an integral part of efficient management of the business ensuring that all business decisions take proper account of safety and health implications.
- c) Develop, implement and maintain a safety and health management system consistent with the **OHDC** framework.
- d) Develop procedures that, in particular, provide for:
 - Plant and systems of work that minimize risks to safety and health
 - Suitable arrangements for the selection, use, handling, storage and transport of articles and substances
 - Adequate information, instruction, training and supervision to enable work to be carried out safely by persons with the necessary competence
 - Safe premises and work places, including access to and egress from them
 - Safe and healthy working environments with adequate welfare facilities
 - Designs which recognize, include and apply safe practice during preparation, construction and subsequent operational use and maintenance.
 - Leadership and support to suppliers to enable them to contribute to improvements in our overall safety and health performance
 - Consultation, occupational health and advisory facilities as required
- e) Develop and review clear safety and health performance indicators including:

شركة دار الشرق للتطوير والإعمار ذ.م.م.
Orient House for Development & Construction Co. L.L.C.

- Accident and incident performance rates
 - Attainment of annual safety and health objectives
 - Training achievement
 - Results of safety and health audits
- f) Review and, if necessary, revise this policy on an annual basis.

3. The managing director has overall responsibility for implementing this policy. **Orient House for Development & Construction Co. LLC** has appointed a director to be responsible for safety and health. It is the responsibility of all employees to implement this policy together
